Copy of letter No.1023/W4/51 dated 28-12-1951, From the Inspector General of Prisons, Madras, to The Secretary to Government, Home Department, Madras.

Sub: Uniform - Warder establishment in Jails and Sub-Jails - Issue of Khaki suits - Revised scale - proposals - submitting.

According to Rule 139(2) of the Madras Prison and Reformatory Manual, Volume II and Rule 45-A of the Madras Subsidiary Jail Manual, warders of I and II grades in jails and subjails are allowed one set of khaki suits once in 9 months except in the Penitentiary (city) where warders I and II grade are allowed two sets of khaki suits annually - viz., one set once in 6 months.

2. During my inspections of Jails, there were requests from several warders that they may be provided with uniform at least twice a year, as is being done in the case of the police constables and head constables.

3. The question was further examined and it is observed that in the Police Department 2 sets are being issued annually to the police constables and head constables both in the City and in the mufassal.

4. The warders in jails are on duty for more than 12 hours a day in addition to 3 night duties in a week, with the result that the suits are subject to much wear and tear and they cannot appear clean and well dressed at all times. I, therefore, request that the warder establishment of jails and sub jails may kindly be allowed the supply of 2 suits of khaki drill annually as is being done in the Penitentiary, Madras and in the Police Department.

5. The extra cost involved in the proposal works out to Rs.5,550/- vide details shown below:--

	<u>Strength.</u>	<u>in jails and sub jails except Penitentiary.</u>
I Grade warders	150	
II Grade warders.	1350	

	1500	

Taking a period of 3 years or 36 months, there will be 6 issues of suits to all the warders, if allowed at an interval of 6 months.

At present the warders get only 4 issues of suits for 36 months at an interval of 9 months.

The excess is only 2 issues for a period of 3 years, if allowed at an interval of 6 months each.

The cost of 1 suit (coat and short)
for I Grade warder works out to Rs.6-0-0 each.

The cost of 1 suit (coat and short)
for II Grade warders works out to Rs.5-8-0 each

For 6 issues for 3 years, the cost works out to Rs.49,950/-

150 I Grade warders at Rs.6-0-0	...	Rs. 900
1350 II Grade warders at Rs.5-8-0	...	7425

8325 x 6 issues.

For 4 issues for 3 years, the cost works out to Rs. 33,300/-

150 I Grade warders at Rs. 6-0-0-	..	Rs. 900/-
1350 II Grade warders at Rs. 5-8-0	..	Rs. 7425/-

		Rs. 8325 x 4.

Extra cost for 3 years. Rs. 16,650/-

For 1 year - Extra cost ... Rs. 5,550/-

This extra cost will be met by reappropriation ~~of funds~~ of funds or by supplementary grant, if sanctioned.

On receipt of orders of Government, necessary amendments to the rules in the Madras Prison and Reformatory Manual, Volume II and the Madras Subsidiary Jail Manual will be submitted for the approval of Government.

Copy of letter No. 1023-W4-51 dated 1st November, 1952, From the Inspector General of Prisons, Madras-8, to the Secretary to Government, Home Department, Madras-9.

Sub: Jails - Uniform of warders in Jails and Sub Jails - Increase in the scale of supply - Budget provision for 1953-54 for different classes of Jails if the proposal is approved - Statement furnished.

Ref: Government Memo No. 142 Prs. 1/52-4, Home, dated 29-10-30-10-1952.

With reference to the Government Memo cited above, I furnish below a statement showing the amounts that will have to be provided for the Budget Estimate for 1953-54 separately for each category of Jails such as Central Jails, District and Special Jails and Sub Jails, if the proposal is approved.

Explanatory Note.

The statement below shows the scale of supply of uniforms towards warders in Jails and sub-jails prior to 1931 and at present and also the scale now recommended by the Inspector General.

	<u>Prior to 1931</u> <u>Scale.</u>	<u>Present scale.</u>	<u>Scale recommended</u> <u>by the Inspector</u> <u>General.</u>
Warders in the City.	3 suits a year.	One suit every half year.	2 suits every year.
Warders Outside the City.	2 suits a year.	One suit every nine months.	2 suits every year.

In January, 1937, the Inspector General reported that the scale of supply towards warders outside the city had by experience been found to be inadequate, that it was essential in the interests of jail discipline that the warders should be smartly and properly dressed at all times and that the

suits supplied would not stand nine months wear as a result of which the warders were unable to maintain a proper standard of appearance. He, therefore, recommended that the warders employed in the Mufassal might be supplied with two suits each per year, both suits being issued at the same time so that the warders might use them alternately. The proposal was considered as a Part II Scheme for 1937-38 but it was not accepted for inclusion in the budget estimate for 1937-38. When the Inspector General of Prisons was informed of this decision, he pressed that it was absolutely necessary to proceed with the scheme. In view of the fact that the warders had to be in their uniforms from morning to evening i.e. for more than 12 hours he recommended that the minimum with which they could get on was 3 suits per head annually, both for warders in the city and in the mufassal. But he stated that he would be satisfied if the pre-retrenchment scale of 3 suits per head per year for city warders and 2 suits per head per year for mufassal warders was revised. The Government were not prepared to consider the question of increasing the rate of supply of uniforms to warders in connection with the Budget estimates for 1938-39 also and the Inspector General was informed accordingly.

2. The Inspector General has now stated that during his inspection of jails, there were requests from several warders that they may be provided with uniform at least twice a year as is being done in the case of the police constables and head constables. He has further stated that the question was further examined, that it is observed that in the Police department 2 suits are being issued annually to the Police constables and head constables both in the city and in the mufassal, that the warders in jails are on duty for more than 12 hours a day in addition to 3 night duties in a week with the result that the suits are subject to much wear and tear and that they cannot appear clean and well dressed at all times. He has, therefore, proposed that the warder establishment of jails and subjails may be allowed the supply of 2 suits of khaki drill annually as is being done in the Penitentiary, Madras and in the Police Department.

3. It is proposed to consider this as a Part II Scheme for 1953-54 and to include the necessary provision in the Budget Estimate for 1953-54 as indicated in the summary above.

Sub: Part II Schemes for 1953-54 - Recommendations of the
Standing Finance Committee - Communicated.

An extract of the proceedings of the meetings of the Standing Finance Committee held on the 27th to 29th January 1953 containing its recommendations on the Part II Schemes for 1953-54 is communicated to the Departments of the Secretariat for information. The Committee's recommendations are mainly based on the consideration that only an interim budget will be presented to the Legislature in March next for the whole of the Madras State and that such of the deferred schemes as are considered ~~importantly~~ imperatively and immediately essential for the proper running of the administration may be brought forward again in about July 1953, for consideration in connection with the preparation of the final budget for 1953-54. The ~~decision~~ decision of the Committee is subject to final approval by the Cabinet at its meeting which is proposed to be held on the 21st February 1953.

2. No commitment should be entered into in respect of any scheme, until provision for it has been included in the Annual Estimate of expenditure for 1953-54 and voted by the Legislature.

UNIFORMS & OBLIGATIONS OF warders in Jails and subjails - Rate of supply - Increase - Proposal.

Ref: From the I.G. of Prisons, No.1028/W4/51 dated 28-12-44.

Please see the I.G.'s letter at pp 1-2 c.f. regarding increase in the rate of supply of Uniform to warders in jail and subjails.

2. Prior to 1931, the scale of supply of suits to warders was as follows:—

Warders in the city of Madras.	3 suits annually.
Warders outside Madras	2 suits annually.

As a measure of retrenchment, the supply was restricted to two suits annually to warders in the city and one suit every nine months to those employed outside Madras.

In January 1937, the I.G. reported that the scale of supply to warders outside the city had by experience been found to be inadequate, that it was essential in the interests of jail discipline that the warders should be smartly and properly dressed at all times and that the suits supplied would not stand nine months wear as a result of which the warders were unable to maintain a proper standard of appearance. He therefore recommended that the warders employed in the mufassal might be supplied with two suits each per year, both suits being issued at the same time so that the warders might use them alternately. The proposal was considered as a Part II Scheme for 1937-38 but it was not accepted for inclusion in the budget at the cabinet meeting. When the I.G. of Prisons was informed of this decision, he pressed that it was absolutely necessary to proceed with the scheme. In view of the fact that the warders had to be in their uniforms from morning to evening i.e. for more than 12 hours he recommended that the minimum with which they could get on was 3 suits per head annually, both for warders in the city and in the mufassal. But he stated that he would be satisfied if the pre-retrenchment scale of 3 suits per head per year for city warders and 2 suits per head per year for mufassal warders was revised. This dept. recommended that the proposal at A above might be considered as a Part II scheme for 1938-39. But the Finance Department was opposed to it and this Dept. was not prepared to press for it. The I.G. was therefore informed that the Govt. were not prepared to consider the question of increasing the rate of supply of uniform to warders in connection with the Budget estimates for 1938-39.

3. The I.G. has now stated that during his inspection of jails, there were requests from several warders that they may be provided with uniform atleast twice a year as is being done in the case of the Police constables and head constables. He has further stated that the question was further examined, that it is observed that in the Police Dept. 2 suits are being issued annually to the Police constables and head constables both in the city and in the mufassal, that the warders in jails are on duty for more than 12 hours a day in addition to 3 night duties in a week with the result that the suits are subject to much wear and tear and that they cannot appear clean and well dressed at all times. He has, therefore, proposed that the warder establishment of jails and subjails may be allowed the supply of 2 suits of khaki drill annually as is being done in the Penitentiary, Madras and in the Police Dept.

4. The extra cost involved in the proposal is reported to be Rs.5550/- p.a. as detailed in para 5 on pp.1-2 c.f.

and will be met by reappropriation ^{of funds} or by supplementary grant, if the proposal is sanctioned.

5. In this connection it may be mentioned that the question of replacing khaki uniform now supplied to warders in jails and sub jails by khadi uniform is separately under consideration and that the connected file is now with HM (R.D.). In that file it is recollected that the I.G. has reported that the supply of khadi uniforms will cost about Rs.5000/- more than khaki uniform. If the scale of supply is also increased as is now proposed, the additional cost on account of the supply of khadi uniform if it is decided upon will also increase proportionately.

6. For orders whether, in the circumstances stated in para 3 above, the I.G.'s proposal to supply two suits of khaki drill annually to the warders in the mufassal as is being done in the case of warders in the Penitentiary, Madras, may be accepted. If so, the file may be sent to the Fin. Dept. for remarks.

Why not we await orders on the file at A above.

V.H.
12-2-52.

With reference to J.S.'s query above, it is submitted that the file referred to at A above has since been received from circulation and that it is being submitted for re-circulation to H.M. (L.R.). There seems no objection to orders in that file being awaited. For orders whether this may lie over till orders are issued in that file.

V.H.
12-2-

Please see the note from p.1 ante and the P.O. orders at the bottom of p.3 ante.

Orders have since been issued in the file referred to at A on p.3 ante. The Govt. have ordered that the question of insisting on the use of khadi for the uniforms of the executive staff of the Jail Dept. and for Prisoners' clothing, bedding etc. should be deferred. Hence the extra cost involved in the proposal of the I.G. in his letter at pp 1-2- c.f. will be only Rs.5550/- p.a. as detailed in para 5 of the letter.

Orders are now requested on para 6 on p.3 ante.

The I.G.'s proposal is supported.

V.H.

Finance (Exp.B.)

The case relates to the I.G.'s proposal for increase in the scale of supply of uniforms to warders in Jails and sub-jails.

2. Prior to 1931 Jail warders were supplied with uniforms as follows:—

	<u>Prior to 1931.</u>	<u>Present scale.</u>
Warders in the city of Madras.	5 suits a year.	1 suit every half year.
Warders outside Madras.	2 suits a year.	1 suit every nine months.

The I.G. of Prisons has stated that during his inspection of jails there were requests from several warders

that they might be provided with uniform at least twice in a year as in the case of Police Constables and Head Constables, that the warders in jails are on duty for more than 12 hours a day in addition to three night duties in a week with the result that the suits are subject to much wear and tear and that the warders cannot appear clean and well dressed at all times. He has therefore requested that the warder establishment of jails and sub-jails may be supplied with two suits of khaki drill annually as is being done in the Penitentiary, Madras and in the Police department. The expenditure involved in the proposal is estimated at Rs. 5,580/- recurring per annum. He supports the proposal of the I.G.

3. In 1937 the I.G. of prisons reported that the scale of supply of uniforms to warders in the Madras at the rate of 1 suit for 9 months was not adequate and requested that the warders might be supplied with two uniforms in a year. The proposal was considered as a Part II Scheme for 1937-38 but was not accepted by the Cabinet. In August 1937 the I.G. of prisons reported that the increase in the supply of uniform to the warders was quite essential and requested that the pre-1931 scale of supply of uniforms for the warders in Madras as well as in Mysore might be revived. Again, the proposal was not accepted by the Government.

The point to be considered is whether a suit will last for 9 months or only 6 months in which case 2 suits per annum will have to be supplied. But it seems desirable not to undertake extra expenditure at the present financial stringency.

4. It is submitted that the analogy sought to be drawn between Police rank and file and jail warders seems to be untenable. The Police have to deal with the Public in public places and a smart appearance is necessary in their case. It is on this ground that they have been given privileges which have been denied to others. Jail warders have their duties within enclosed walls to which the public have not free access and visitors will be few and far between. Further the warders have been supplied with uniforms once in 9 months since 1931. The Govt. are also meeting the expenditure on upkeep of the uniforms. In view of these facts and in view of the fact that the increased scale of uniforms has been considered twice and dropped in the past, Finance may advise against the proposal especially in view of the financial stringency which is greater now than it has been during the past many years.

If the proposal is pressed, it may be considered as a Part II Scheme for 1953-54, as it involves cancellation of reduction in the scale ordered as a retrenchment measure.

This case relates to the proposal of the I.G. of Prisons for the increase in the scale of supply of uniforms to warders in jails and sub-jails.

The following statement shows the scale of supply of uniforms to warders prior to 1931 and at present:

	<u>Prior to 1931 scale.</u>	<u>Present scale.</u>	<u>Scale now recommended by the I.G.</u>
Warders in the City.	3 suits a year.	One suit every half year.	2 suits every year.
Warders outside Madras City.	2 suits a year.	One suit every nine months.	-do-

The proposal has been examined in detail in the notes at pp.1-4 ante. In the circumstances stated by the I.G. in paras 2-4 of his letter at pp.1-2-c.f. this Dept. have proposed to accept his proposal. For the reasons stated in para 4 of the Fin. Dept.'s note at pp.5-6 ante, that dept. have advised against the proposal. They have, however, stated that if the proposal is pressed by this Dept. it may be considered as a Part II Scheme for 1953-54 as it involves cancellation of reduction in the scale, ordered as a retrenchment measure.

It is for orders whether this dept. may press the I.G.'s proposal in view of what has been stated by him in paras 2-4 of his letter at pp.1-2-c.f. If so, this dept. may agree with the Fin. dept. that it may be considered as a Part II Scheme for 1953-54. The extra cost involved is Rs.5550/- p.a.

The file may be circulated to M.(Law) and M. (Fin.).

The proposal may be considered as a part II Scheme for 1953-54.

(Issued as Memo No.142 Prs.I/52-4, dated 30-10-52)
From the I.G. of Prisons, No.1028-14-51 dated 1-11-52.

Please see the Memo to the I.G. at p.3 c.f. and his reply at p.5 c.f. As suggested by the Fin.Dept. at p.7 ante, the provision required for each category of jails such as Central jails, Dist. and Special jails and Subjails has been shown separately in the summary against the sub head concerned in the Part II scheme note below. It does not seem necessary to send the file again to the Fin. Dept., as they have already accepted the draft Part II

~~Part I~~ scheme note as amended may issue.

(Issued as Memo.No.142/Pr.I/52-7 dated 11-2-53)
From the I.G.-of Prisons, No.R.O.C.1028/W4/51
dated 10-3-1953.

The file relates to the proposal of the I.G. of Prisons to increase the scale of supply of uniforms to warders in Jails and sub-jails which was considered as a Part II Scheme and has been deferred. The proposal ^{As} explained in the Part II Scheme note on pp.9-10- c.f. While deferring the proposal, the Standing Finance Committee observed that the overall additional expenditure of about Rs.5,600/- might not be correct and that full details for the additional expenditure involved should be called for and carefully checked by the time the proposal is put up in June or July.

p.t.o.

2. The I.G. of Prisons who was asked to furnish full details for the additional expenditure involved in the proposal, viz., Rs.5600/- per annum, has since furnished full details as to how the total expenditure of Rs.5,600/- per annum recurring was arrived at - vide details of the cost at pp.23-24 c.f. The additional cost of the proposal now given by the I.G. at pp.23-24 c.f. is the same as that furnished by him in his letter at p.5-c.f. which has been incorporated in the Part II Scheme Note at pp.9-10 c.f. It is seen from the details furnished that the average cost of a suit for I grade warder (allowing for the varying sizes) is Rs.5-14-9 and that for a II grade warder is Rs.5-8-0 which has been taken as Rs.6/- and Rs.5-8-0 respectively. The difference between the actual cost of a suit for I Gr. warder and the approximate cost adopted in the working is ~~Rs.9-17- only~~ *Rs 0-7-3 only*

As regards the number of warders, instead of the actual strength of 144 I grade warders and 1369 II grade warders, the I.G. has adopted an approximate strength of 150 I grade warders and 1350 II grade warders. The total additional expenditure per year according to the figures adopted by the I.G. is Rs.5,550/- whereas according to the actual strength of 144 I grade warders and 1369 II grade warders, it works out to Rs.5,596/-. The variation is small and the approximate cost already furnished in the Part II Scheme note, viz, Rs.5,600/- per year is not affected by this variation. The file may lie over till 1-6-1953, with reference to 'S' on p.11 c.f.

Meanwhile Finance may see for remarks, if any.

It has since been proposed to treat the 'Vote on Account' obtained from the Legislature for the first six months of the current year, as the sanctioned grant for the composite state of Madras for that period. As regards the next six months, estimates will have to be prepared separately for that period for each of the three areas (Andhra, 7 taluks in Bellary district going to Mysore and the Residency Madras State) based on existing sanction only without providing for any new schemes. The proposal in this file will have to be left over for consideration by the

the respective Governments after separation. It may be considered either as a scheme for introduction in the course of the second half of this year or as a Part II Scheme for 1954-55.

The file relates to the proposal of the I.G. of Prisons, to increase the scale of supply of uniforms to warders in Jails and subjails which was considered as a Part II scheme and deferred. The proposal is explained in the Part II scheme note on pages 9-10- c.f. While deferring the proposal the S.F.C. observed that the overall additional expenditure of about Rs.5,800/- might not be correct and that full details of the addl. expenditure involved should be called for and carefully checked by the time the proposal was put up in June or July.

2. The I.G. of prisons was therefore asked to furnish full details for the addl. expenditure involved in the proposal, viz. Rs.5,800/- p.a. The I.G. furnished in his letter at pages 23-24 c.f. the details of the addl. expenditure of Rs.5,800/- p.a. and explained how it was arrived at. The addl cost of the proposal on examination was found to be the same as that furnished by the I.G. already and incorporated in the Part II scheme note at pages 9-10- c.f.

3. The Finance Dept. to whom the file was sent with reference to § on p.11 c.f. have now stated that the proposal in this file will have to be left over for consideration by the respective Govts. after separation of the Andhra State. They have also stated that it may be considered either as a scheme for introduction in the course of the second half of this year or as a Part II scheme for 1954-55.

For orders whether in the circumstances the I.G. may be asked to bring forward the proposal as a Part II scheme for 1954-55 in view of the formation of the Andhra State in October 1953. (In case it is considered that the proposal should be considered as an urgent scheme to be introduced in the course of the second half of this year, a.C.B entry will be made against 10-10-53)

A. } May be considered as Part II Scheme for 1954-55.
